

## **SUPPLY CATEGORY ANALYST- Phoenix, AZ**

New Chapter, an innovative super premium nutritional supplement company is interviewing for a Category Review Analyst at a key retailer/customer headquarter location. The candidate must live in the Phoenix, AZ area.

### **Job Summary:**

The role uses predefined templates in Excel and Apollo Space Management to assess schematic and assortment performance and make recommended improvements. This includes accommodating decisions for new and discontinued items, working closely with the Category Manager, the Manager of Category Review Department and with New Chapter to request and provide analysis.

### **Experience and Qualifications:**

- 2 years experience in a health food retail environment doing reset and restocking activities
- Knowledge of the fundamental concepts, practices and procedures to support schematic development, assortment management and retail implementation
- Excellent computer skills with a working proficiency with MS Office Suite; including Intermediate skill in Excel. Experience with Apollo or other space management software a plus.
- Good analytical and problem solving skills
- Ability to prioritize, manage and complete multiple assignments and meetings and meet deadlines while adapting to changing work properties
- Demonstrates proficient verbal and written communications skills

As a New Chapter representative, this position is onsite at the headquarters of a key account customer. Applicants must be excited about joining our passionate healing mission. If you possess these qualities, please e-mail your resume to [salesresume@newchapter.com](mailto:salesresume@newchapter.com). New Chapter is an equal opportunity employer.
